INFINITE SOLUZIONI

This is a short presentation of  
some of our creations.  
Every logo present in this little  
book was created for our clients  
in Italy, France and UAE.  
We hope you like them, please  
contact us for every comment and  
suggestion

# LOGO DESIGN 01

Lambdastreaming logo was produced in 2008 by Mirabilia, for one of the most important Italian streaming website. The shape of this logo is inspired by the old tv screens. The message is clear, a new friendly way of watching movies, tv cartoons and films, inside a friendly community

**Lambda  
Streaming**

# LOGO DESIGN 01

Majlis Art Project is a brand new classical music Festival, born in 2010 in Dubai. the intention behind the creation of the logo is to unite the Arab concept of geometry, with the iconography of western music - a symbol of union between the Arab and Western cultures

# LOGO DESIGN 01

Prestige is a new Italian brand that deals with the sale of electronic cigarettes. In this case we wanted a very classic logo, easy to recognize and remember

*Prestige*

# LOGO DESIGN 01

Opera Quinta is a symphonic orchestra based in Milan. The Creation of the logo reflects the soul of this orchestra that combines aspects of traditional and modern music

# LOGO DESIGN 01

Booksandbooks.it is a web community about literature and books, the website publishes free ebooks of classic literature and poetry, the logo is based on the characteristic shape of the open book and plays with typography

Classicvillage.net is a reference point for all the lovers of opera and classical music. The logo incorporates the idea of the "pentagramma", related it to the typography of the website

# Classic village

# LOGO DESIGN 01

Musicomani.it is a music blog with: news about concerts, new releases, charts - The logo of the site is an evolution of the previous one, based on the shape of one of the strongest symbols of modern music

The logo for Musicomani features the word "musicomani" in a white, lowercase, sans-serif font. The letter "o" is replaced by a stylized yellow vinyl record icon, consisting of a central black circle, a white ring, and a yellow outer ring with a thin black border.

# LOGO DESIGN 01

The logo created for knil is strongly linked to the concept of Internet sharing, designed specifically for this websites that promote collaboration and cooperation between users, the colors chosen for the brand are shades of blue and blue, Typical of Internet

**Knil**
